You bet. Can we talk at 11 your time? As usual, early is better for me, so if that does not work for you, let me know the closest time that does before or after this. I'll call you.

Peter:

Would you have anytime Thursday (tomorrow) to discuss the SAMP issue in more detail? I'm grateful for any insights you can share as I prepare for a high-level briefing on the topic set for Friday.

Thanks, Palmer

Peter:

Great talking with you. I'm cc'ing Heidi Karp in OGC so that she has your contact information. I'm sure she will be interested in the takings analysis that you have been working on for the Bristol Bay Native Corp.
